GEO. O. BARNES in ENGLAND "PRAISE THE LORD"

WELLAND HOUSE,)

NEW BARNET, HERES, FED. 4, '81, 1

Dear Interfor : (Continued from last issue

Without entering into the controver-y at all, we had a look at the creature, Harnum's white elephant; chatted a while in Hindustani with his native keeper and spent a most enjoyable dev in the womlerful place. Here I met Moody for the first time in seven years to speak to him conventation before he was calle havny by glad to shake hands once more this side the

poured in terrents. At one time I had at the LORD called out and I was glad to fullow. The Hall was crowded and we had which termin, to a see leady to the " the hest meeting of a't flow will the devil knew it and tried to prevent it. Praise the LOitH for Joiling him'

SPENEY, JAN. 27th - Quite a touch of winter to day, taking no by surprise, so acenstome lare we getting to unseas public weather Charley and Will went to hear Dr. Packer and came home full of the grand errmon he gave them. At 3 P 31 as we entered the Halt the brethien were singing a Second Advent song icas, he a to site way that I was dreat at once to preach upon that subject. A memoritie service it was. The good woman who cares for the room gave no les and we remained at Shad. well until evening Voother blessed gathering at night and " Topper II " " "ehouting happy" agam.

MONDAY, JAN 2- 5 - The papers are full of disseter on laur and sea, occasioned by the tornado of Saturday evening. Atinto the meeting, but the Lt1R1) gave the victory after a little fight, though Happy Billy did not get up to the shouting point, He is a sort of barometer for the Shadwell gathering and a pretty fair test of the spiritual temperature. What a heart-ache it gives one to see this awarming population so out of reach. And this is the case every where The masses will not darken a church door. Even dear Moody only ecratches the surface of the ontskirts.

TURRDAY, JAN 29th .- Elith and Herbert Limmer were with no Salurday at the Zoo. A letter from E telling us what a time they had in getting home from the station that stormy evening, on account of -A new story is told of Artenna Ward, from them before their very eves, and publulo it. So they had to make a long de. ductor was punching his ticket Artemus getting it. It is a bill which men who four and did not get home till after mid- remarked. "Hees this tailroad company practice honest methods in business of any the fierce gale of wind.

Happy Billy shouted vociferously and a the engine and hitch it to the rear of the number of confessions of the dear Name train. Well, if I did git at the table in front of the Speaker's de-k this money easy I don't stand no sort of upon the head. Such a blow from the chance of foolin' it away. I know its real heavy piece of ivory would have been painful if not serious in its effect .- [Wash. ington Letter.

Expulsion of Rats.

A writer in Chambers' Journal relates his to huild a wing onto the 'rouse with this an' experience in rudding his house of rats. buy in some fine stock and the meadow lot He first tried the well-known remedy of 89 Hetty can live with us when she gits pouring tar into the entrance of their holes and also of placing broken glass by their "Indeed! Jim Vance! I guess I'll go to holes, but neither remedy did he find office. the city and get acquainted with folks, now tive. But bound to get rid of the rat nuiwe've got money." said Miss Hetty. "Jim sance, if such a thing was possible, he tried is only a common farmer boy; not but that another well known remeily, which proved he is a good fellow, but maybe I can do more satisfactory. He caught a couple of large rata in a trap plive and then besmeared them all over, except their heads with wouldo't give up Jim till I see the other tar, and let them loose in their favorite run. But he says: I could not follow these two tar-beameared rats into their numerous runs to see what would happen, but it is reasonable to assume that they bins crowdy; "I've worked and slaved for either summoned together all the members your feyther night onto thirty years and be of their community, and by their cresifallnever retused me before. But money has en appearance gave their comrades silent indications of the misfortunes which had "Mercy on us, woman, what is it you so suddenly hefallen them, or that they frigh ened their brethren away, for they one and all forsook the place and iled. The experiment was eminently successful. the young man drew a bottle from his side "Great Jerusalem! woman, there ain't a From that day, in 1875, till now, 1881, my ly free from rate, and I believe that there is no remedy equal to this one.

THE "DISMAL SWAMP" OF VIRGINIA .-From a survey just made, Mr. Kichard marriage was solemnly celebrated. Swamp Land Co., estimates this swamp to have 14,000 acres of land that may be rebasin is about 50 square miles in area, and Lake Drummond, the deepest portion, has demanded that he must pay not only for a general water surface 22 feet above mean high tide. The geology of the swamp is: First, a stratum of peat or vegetable matter from 10 to 15 feet deep; next 2 feet of yellow clay; then 4 to 5 teet of hlue clay, and finally a bottom of quickeand. The water in the quicksand formation maintains the

level of tide water. A writer in one of the medical journala says he has found the application of a strong solution of chromic acid, three or od for removing warts.

Skillful Surgery.

Bruno Knorr shot biniself, in New York, Then going up to his wife he pigeed his on the 24th ult., the hullet, of 32 caliber, piercing his akull just on the central line "Come, wife, cheer up. If there's a cam- between the eyes. Dr. W. F. Fluher, one el to be had for love or money you shall of the consulting surgeons of Bellevue have that shawl. I s'pose I mought az Hospital, and Dr. Bobert I'. Morris, the well give it fust as last. Cheer up, old house surgeon, probed for the hutlet, and found that it had passed through the brain, "Old woman!" shrieked Mrs. Stebbins taking a course slightly upward and to the 'He calls me old. Have I lived all these lett. It was impossible to remove the bullong years to have that man tell me to my let by the way which it had entered, and face I'm old? John Stebbins, I hate you! Dr. Fluher decided that the best thing to lodged and get it out that way. The difficulty was in determining the exact location of the hullet. Dr. Fluher, by mans of the probe, got the general direction that man, "what's a goin' to come next? Hetty, the ball had taken and formed his judgment by it. The hair was cut from the vet, and here she is a talkin' of divorce and hack of Knorr's head, and a hole the size of a cent was cut through the skull. The and worked round and round until a circular hole was cut. The bullet was removed through this hole. A rubber drainage tube was then placed through the brain, its ends projecting an inch through the hole cut by the bullet and an inch through the hole made by the trephine. The operation which was witnessed by nearly the whole staff of the hospital, lasted laur hours. On the following Saturday and Sunday the patient was stupid and partially unconscious, but at times he gave monosyllahic answers to questions. Monday he was much brighter and could talk and feed himself. His right arm (cems to be paralyzed. Hopes are entertained of his ultimate recovery .- [scientific American.

A Successful Failure.

"Yes, George, dear, I accept your profferel love and will be your wite,"and a pair of strong arms clasped ber tightly, lovingly. 'You have heard, of course," she said from under the lapel of his cost, ' that paper

has failed ?" "No, I hadn't heard that," said George, weakening his grip a little.

"Yes," she continued, nestling more closely to him, "ne failed last week, and -'That puts a different phase upon mit tera entirely," axid George, atruggling to break loose, but the girl held him fast and

"And settled with his cicditors at two cents on the dollar, and -

'Nay, dearest," interrupted George, passignately, "do not speak of such sordid matters. Let us think only of love and the happiness which the bright future has in

But, gentle reader, let us leave them in their young love and perfect trust .- [l'hil-

In the mint at Sin Francisco there are

At a benefit entertalnment in New Havting was a mock auction sale of old maids. There were thirteen of these spinsters, and the bidding was spirited; but its result reflected on the prespicacity of the gentlemen who did the bidding, for after the unmasking the chattel who had commanded the fewest offers and was knocked down at the humiliating figure of 23 cents proved to be the handsomest and wealthiest young woman of

NOVEL DENTISTRY .- A new method of tooth drawing has been invented by a dentist in Germany. A small equare of India rubber, pierced with a central hole, is pushed over the tooth till the upper part of the root is reached. The India rubber gradually contracte, pulls out the root and the offending tooth is finally enucleated without costing the patient any pain whatever. Four or five days are generally required to complete the operation. Very slight bleeding and a slight swelling of the gum are the only inconveniences experienced.

Says the stern father: "My slaughter is loving, but not ambittous. In her life affection will be everything. Will you ever speak cross to hei?" "Never." "What assurance have I?" "This sin!" and pocket. "What have we here? Kentucky?" "Kentucky." "Ah," said the Colonel, as he threw out a chew of tobacco and took the bottle, "nere's looking at you!" "Drink heerly," the young man replied. The

Butchers and grocess insist that their business requires the use of heavy wrapping-paper, for which customers have to pay usually at a high rate. Thus one buys a beefsitak at twenty cents a pound. It is the meat and bone, but for a big sheet of cheap, thick paper and likewise, Jerhaps, the hutcher's heavy hand, which is laid on the scale with the steak to make good weight.

On the 26th of January, Mr. Theo. Brussell lost a shoat. Twenty days later on February 15, the animal was found imprisoned under a rick of straw which had toppled over. The porker was greatly rethrifty .- [Lebanon Standard,
